Designation Application Template

As part of the Neighbourhood Planning process, Town and Parish Councils are required to define the area the Neighbourhood Plan will cover as set out in the Neighbourhood Planning Regulations 2012. This is known as the Neighbourhood area.

The Parish or Town Council will need agree at a Council Meeting that they wish to develop a Neighbourhood Development Plan and designate their Neighbourhood area. For further information please refer to the Defining the Boundary guide note.

We have produced a designation application template below to help you through this stage of the process. This will need to be submitted to Cornwall Council with a map showing the Neighbourhood area (normally the parish boundary) for the Neighbourhood Plan.

If you have any queries or you wish to submit a designation application please e-mail the Neighbourhood Planning Team neighbourhoodplanning@cornwall.gov.uk

22nd February 2018

Dear Sir/Madam

Application under Part 2 (5) (1) of The Neighbourhood Planning (General) Regulations 2012 for the designation of a Neighbourhood Area.

Stithians Parish Council give notice that we wish to make an application under Part 2 (5) (1) of The Neighbourhood Planning (General) Regulations 2012/2015 for the designation of a Neighbourhood Area for the Neighbourhood Development Plan.

The application is accompanied by a map identifying the area to which the application relates, being the entire area of Stithians Parish.

This area is considered appropriate to be designated as a neighbourhood area for the following reasons:

- The Parish Council resolved to develop a plan for the neighbourhood area at a council meeting on 20th February 2018.
- We consider that the whole of the parish of Stithians is the most appropriate area to be covered by the plan.

Stithians Parish Council is the relevant body for the purposes of section 61G of the 1990 Town and Country Planning Act being the parish council for the entire area applied for.

Yours Sincerely
